

TIA Discount Price Policy for Certified Transportation Broker Course

TIA offers premium education courses to its members through the TIA Foundation. Based on academic scholarship and practical experience, the CTB Program provides brokers professional recognition, marketing advantages, and career advancement. To recognize the financial commitment of companies that enroll numerous employees in the Certified Transportation Broker (CTB) Online Study course, the TIA Foundation will offer discounted prices to those who meet the following minimum criteria.

Criteria:

- Each applicant must purchase the Online Study Course and three (3) exam sections in one transaction to receive the discounted price.
- Discounts are offered on a graduating scale. A singular, standalone student must purchase the Online Study Course for \$675.
- Discounts are applicable only on the price of the Online Study Course.

Process: Company must contact Director of Education and provide the total number of applicants. The Director of Education will approve the appropriate discount and issue a discount code, or work with the company person of contact to settle an invoice using online checkout or payment. All discounts only apply to companies registering students in one (1) calendar year.
