

TIA Discount Price Policy for Virtual Instructor Led Trainings

TIA offers premium education courses to its members through the TIA Foundation. To recognize the financial commitment of companies that enroll numerous employees, the TIA Foundation will offer discounted prices to those who meet the following minimum criteria.

Criteria:

- Discounts are offered on a graduating scale. A singular, standalone student must purchase the course for the original outlined price.
- Discounts are applicable only if all students are registered at one time.

Process: Company must contact the TIA Education department and provide the total number of applicants. TIA Staff will approve the appropriate discount and issue a discount code, or work with the company person of contact to settle an invoice using online checkout or payment. All discounts only apply to companies registering students in one (1) calendar year.

Discount Schedule:
